MEDIA ALERT

**Westfalia to Sponsor and Attend the
New York Multifamily Summit on October 31**

York, Pa. – Oct. 9, 2019 – [Westfalia](#), a leading supplier of automated parking systems worldwide, announces its sponsorship and upcoming attendance at the 11th annual New York Multifamily Summit. On Oct. 31, 2019 Westfalia will join hundreds of the most active and influential multifamily players across the Northeast and Tri-State area to discuss today's toughest and most urgent challenges in investment, development, financing, construction, deal flow and property management.

[New York's drivers spend 107 hours a year](#) searching for a parking spot, the most of the 10 cities analyzed. Parking problems are also identified as a quality-of-life issue by two dozen of New York City's Community Boards in their annual [budget requests](#), with a number of boards seeking funds for new parking facilities. In the heart of New York City, where street parking is virtually impossible and real estate is some of the most expensive in the world, state-of-the art automated parking structures provide the ability to store more cars in less space and less time, while eliminating parking lot accidents.
